

## **DERMIEYE (OPATRA London)**

Say goodbye to the bags under your eyes!

**Price:309.00 €**

### **Description:**

#### **DERMIEYE OPATRA - London**

OPATRA DERMIEYE is a unique device that helps reduce puffiness and wrinkles around the eyes. Its unique ion technology operates with your own skin current to help creams absorb into the skin. At the same time, the vibration massage stimulates blood circulation to the eye area and helps regenerate skin cells.

OPATRA DERMIEYE uses smart sensor technology to provide massaging treatments to your eye area.

Lightweight, slim and portable Battery operated, can be carried anywhere Smart touch sensor Lifetime warranty

FOR BEST RESULTS: Apply eye care product AMERGOU around the eye area and use daily – morning and night.
