Cleansing milk

Cleansing milk with organic Argan oil, for sensitive skin

Enriched with shea butter

This cleansing milk with organic Argan oil ensures a perfect gentle make-up removal, eliminates all impurities and all invisible particles accumulated during the day.

It keeps the skin hydrated with Argan oil and shea butter.

With a fine and light texture, this cleansing milk cleanses the skin and brings comfort without leaving a greasy

film onto the skin.

Suitable for sensitive skin. Remove all traces of make-up without drying out the skin.
