Description:

Night cream, with 25 % organic Argan oil

This night cream is particularly enriched in organic Argan oil (25%). This care allows your skin to recover during the night, period of time when it is more receptive.

It moisturizes and feeds your skin deeply. Rich in oleic and linoleic acids (unsaturated fatty acids), argan oil increases the smoothness of your skin.

This skin care also contains an orange flower water distillate, well-known for its relaxing properties.

The formula is enriched in natural tocopherols (vitamin E), which are essential antioxidants for the skin beauty.

As this care contains no fragrance, no colorant, no paraben, no phenoxyethanol, it is the right answer to your search for a natural wellness and beauty.

Instruction for use : apply on a clean face and neck each night. You will wake up with a firm and younger looking skin.
