Description:

Purifying clay mask, enriched with organic Argan oil, 100 ml

+ 30 % Rhassoul (natural mineral clay)

Rhassoul is a **100% natural and organic mineral clay**. Especially rich in both minerals salts and trace elements, Rhassoul has been used for centuries by oriental women. This natural clay is extracted on the edge of the middle Atlas, in Morocco.

Benefits of Rhassoul : cleanses the skin in depth, absorbs excess sebum, eliminates blackheads and tightens pores. The skin appears refined and the complexion is fresh and radiant. Rhassoul is necessary to the beauty and the skin's youth. Indicated for all skin types.

This purifying clay mask, enriched with Rhassoul and organic Argan oil, is produced using our own Argan oil production, 100 % pure, extracted by first cold pressed, rich in essential fatty acids and in vitamins A, B, C and

E. The natural antioxidants it contains preserve the youngness of your skin in nourishing it and reducing the wrinkles.

How to use : 1 or 2 times a week, apply in thick layers over face, on a perfectly cleansed skin. Leave on for 15 minutes and rinse off with warm water. Extend your care using anti-age cream L'Or Berbère.
